Food to Go

If you have to depart early in the morning and spend your day at the airport waiting for a connection; allow us to prepare something "To Go" for you personally. Please call In Villa Dining directly on 8121 or talk to any of our hosts directly to place your order in advance of your departure.

Nha Trang Market Tour

For an insight into Vietnamese cuisine we offer an excursion to the morning market accompanied by a member of our team. Travel in the resort's own traditional Vietnamese Cyclo to a bustling market as the sun rises over Nha Trang Bay and discover the local products from the local sea and soil.

Cooking Class

The Vietnamese cuisine is very healthy, tasty and uses fresh products in a way that does not lie or conceal. Natural products are used and their taste is not camouflaged by an excess use of spice, oil or seasoning. Fresh herbs are essential and most kitchens in Vietnam use mostly organically farmed products. Choose between classes where you learn to prepare dips & marinades, salads & starters, table cooking for the whole family or an entire set menu.

Please contact Guest Relations (8114) or In Villa Dining (8121) for kind assistance with any of the above.
