

## Evason Phuket & Six Senses Spa Eco Story

### Supporting Wat Sawang Arom School

**Evason Phuket, 21 March 2007:** A playground and toys worth USD 25,000 was donated to Wat Sawang Arom School.

The school, which is situated in Rawai, is the closest school to Evason Phuket & Six Senses Spa. The playground is the latest donation in a steady series of support programmes given to the school. Previously, books and computers have been provided as well as regular visits by resort hosts. During these visits the hosts teach the children banana leaf folding, paper cutting, painting and various games. Lunches are also held for the school children.

It is Evason Phuket & Six Senses Spa's pleasure to support the resort's local school and to improve their knowledge, playing areas and learning materials.

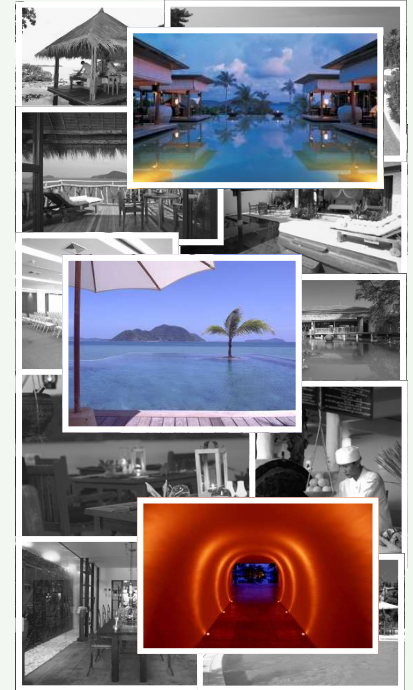

Playing equipment for their new playground

Real smile from students
