

Evason Phuket & Six Senses Spa Eco Story

Earth Day with Life Home Project Foundation

Evason Phuket, 22 April 2007: Evason Phuket & Six Senses Spa celebrated Earth Day 2007 by inviting 28 children and 5 adults from Life Home Project Foundation. The children were taken around the Evason Phuket Eco Trail to learn about environmental practices.

Through various activities the children and adults were shown the Herb and Vegetable Garden, waste water treatment plant, water reservoir, Recycling Corner, chipping machine, composting facility and nursery. Following the outdoor activities the children were taken to *Just Kids! Club* where they could play as well as learn about banana leaf folding. The highlight was the snack time where the children tasted western

Children from Life Home Project are learning about natural surroundings

Children are learning how to make a fish from palm leaf

cuisine including delicious pastries from the bakery and French fries.

Evason Phuket & Six Senses Spa has for several years supported Life Home Project Foundation, which predominantly is a shelter for women with HIV and their children. However, the foundation also takes care of underprivileged children and poor families.
