Aerial View of Six Senses Samui

The Retreat

## LOCATION

Six Senses Samui is located on a headland on the northern tip of Samui Island, approximately six kilometres from the airport and a forty-five minute flight south of Bangkok. It is set amongst 20 acres of indigenous vegetation and offers uninterrupted panoramas to the Gulf of Siam and outlying islands.

Koh Samui is south of Bangkok and east of Phuket, inside the Gulf of Thailand. The island is just 21 kilometres wide and 25 kilometres long and has frequent air services from Bangkok, Phuket, Singapore and Hong Kong. The massive seated Buddha Image known as 'Big Buddha' is just five minutes from the resort.

## CONCEPT

Six Senses Samui is inspired by a Thai fishing village with villa accommodations located amongst natural vegetation around a sloping headland and offering unsurpassed panoramic sea views.

All Villas have an open-style bathrooms, which creates an atmosphere of space and light in the room, and also maintains views of the surrounding seas and islands from almost every location in the villa.

Besides the Hideaway Villas, all the other villas have private pools, most with an infinity edge which gives the impression of blending into the horizon and helps maintain a feeling of seclusion even though all of the resort's facilities are close at hand.

Butler service for all villas is designed to create a new and unique concept for guests, where *Redefining Experiences* are created and presented from arrival to departure.

## MANAGEMENT

Six Senses Samui is managed by Six Senses Resorts & Spas, who have developed and operate unique properties in Maldives, Oman, Thailand, Vietnam and Jordan under the brand names Soneva by Six Senses, Six Senses and Evason: plus Six Senses Spas and Six Senses Sanctuary. The Six Senses team has positioned Six Senses Samui to incorporate the same brand values and personal service promised in the Six Senses Core Purpose: *To create innovative and enlightening experiences that rejuvenate our guests' love of SLOW LIFE\**.

*Dining on the Hill*

Open for breakfast, lunch and dinner, the restaurant theme is very casual and relaxed. It offers Thai, international and health balance cuisines, along with other popular dishes.

The restaurant is conveniently located beside the wine cellar, allowing guests to make their own selection.

### **Dining on the Rocks**

The award-winning restaurant of Six Senses Samui, Dining on the Rocks, established its reputation and fame by offering New Asian Cuisine coupled with a stunning panoramic view over the Gulf of Siam. Raising the bar even higher, the latest innovation to come out of the kitchen is called Modern Interpretive Cuisine. Tried, trusted, original recipes are given a new slant in imaginative ways; so what you think you are getting is not that at all. Dishes are reconstructed to be both visually and texturally appealing. Taste and a focus on fresh, wholesome, local ingredients are tantamount in importance. The restaurant architecture is unique in that it consists of ten terraced decks of weathered teak and bamboo, combining open air and covered seating areas. The view is an uninterrupted 270 degree panorama of the surrounding islands and ocean.

### **Chill by the Pool**

Located on the higher deck by the resort's main pool, Chill by the Pool opens from 11am to 6pm daily where burgers, pizzas, and other Mediterranean favourites are freshly made in an open kitchen.

### **Chill on the Beach**

There are two seating styles at this outlet: sipping cocktails and chilling out on comfortable daybeds or simply enjoying meals at regular beach tables.
