Six Senses Yao Noi

## LOCATION

Six Senses Yao Noi is located on the Island of Yao Noi, situated midway between Phuket and Krabi, among the awe-inspiring limestone pinnacles of Phang Nga. Traveling time from the airport from Phuket is around forty five minutes to one hour by motor boat or fifteen minutes by helicopter service.

## CONCEPT

Six Senses Yao Noi sets even higher benchmarks for excellence in Asia. The attention to detail and focus on the reality of the destination reinforces the brand's commitment to the environment. Accommodations provide generous personal space and presents an uncompromised standard of luxury. Six Senses offers elegantly designed modern architecture positioned with an image supporting the Six Senses theme – Redefining Experiences.

All villas have open-style bathrooms, creating an atmosphere of space and light and boasts magnificent views of the bay and surrounding forestation. Each villa also features its own infinity-edged pool with sundeck, creating an illusion of infinity between pool and bay, and reinforcing a feeling of seclusion. Local building techniques have been adopted, using natural materials that are in harmony with environment. External and interior walls are wood paneled, with roofs constructed of sago palm leaf thatching.

Each villa is attended by a butler who is trained to anticipate every whim. The butler service is designed to create a new and unique concept for house guests, where Six Senses and Redefining Experiences are exemplified from arrival to departure. Six Senses reflects the warmth and welcome of a home on a plantation estate. The Main House accommodates all the dining and entertaining alternatives.

## FOOD AND BEVERAGE FACILITIES

### The Main House

Guests experience a refreshing sense of calm at the Six Senses as they enter across the arrival pool, with two sunken bars and seating areas. From several pathways, one leads to The Den, with guest relations and a library to the left, and a bar to the right. The library features a glassed-in duplex wine cellar with suspended ladders to access wines on the upper level. The open-plan bar is also on two levels, with several sub-levels creating a more intimate feeling. The bar offers Asian tapas with a selection of specialty regional dishes. A second pathway leads down to the dining areas, passing the Six Senses Gallery en route, with an array of gift ideas, furnishings and apparel.

### The Living Room and Terrace

Close to the beach, this all-day dining choice offers alfresco or undercover seating. The Living Room is constructed from traditional material such as wooden panelled flooring, coconut palm columns and classic thatching overhead. Offering tempting buffets at breakfast and on special dinner nights, it also showcases a deli and patisserie, into which guests are invited to wander in and help themselves. The Living Room offers world cuisine during the day and specializes in Thai Cuisine for the evenings. The atmosphere is very relaxed, with large comfortable seating areas offering booths as well as romantic dining on the extended terrace. There are also several outdoor dining pavilions.

### The Dining Room

A central split-level structure features a Chef's Table on the top level, plus a cooking station with one long table surrounding it. The main dining area is on the lower level, with several private dining pavilions located in the wild mangroves and plantation palms. A tranquil water feature meanders through this area over a glass bottom floor – while organic vegetable and herb gardens are close at hand for the freshest salads and to complement the exquisite Organic European Cuisine in the Dining Room.

### In-Villa Dining

Private in-villa or terrace dining compliments the secluded peaceful atmosphere. For the true romantic, the villa butler will arrange for a champagne breakfast, a private picnic or an evening barbecue beneath the stars, with a personal chef and waiter at the ready.

Spa Long House

### Hilltop Restaurant

Open every day for breakfast, all day drinks and snacks, lunch and dinner. Dinner will be served in several of the villa's different spaces: private areas, larger terraces, around the huge infinity pool, with the occasional communal table for mingling and mixing with like minded guests.

Outdoor and indoor dining areas will serve both classic International and contemporary Thai dishes utilising the freshest local seafood and herbs and vegetables from the resort's own organic gardens. A lengthy wine list will contain the best of old and new world wines, including some rare vintages.
