

soneva kiri flight information

Your Soneva experience begins the moment you disembark at Bangkok Suvarnabhumi International Airport, where you will be greeted by a Soneva Kiri's Private Airport Representative, who will escort you and your party to the Thai Airways Royal Silk Lounge to refresh and relax while luggage is being handled.

Flights from Bangkok board the resort's luxurious custom-fitted eight-seater Cessna Grand Caravan for the eighty minutes flight to Soneva Kiri's own airport, located on an adjoining island. From there it is just a 2-kilometre trip by luxury speed boat to the resort's jetty and warm greetings of management and hosts.
